

The 2017 Workshop on Advanced Econometrics

April 29, 2017

Department of Economics, University of Kansas

We are happy to announce that *2017 Workshop on Advanced Econometrics*, organized by the Department of Economics, University of Kansas, will be held on April 29 (Saturday), 2017 on the Lawrence campus of University of Kansas (about 40 miles to the west of Kansas City, Kansas). The workshop will consist of a series of workshops focusing on recent developments of econometric theory and methodology with their applications in both economics and finance. The purpose of this workshop is to promote methodological and theoretical research in modern econometrics and to provide an opportunity for junior researchers to come together to interact through presentations and discussions. You are very welcome to attend this conference.

Inquiries should be directed to the organizer Dr. Zongwu Cai (Email: caiz@ku.edu, Tel.: (785) 864-1886).

Confirmed speakers include:

Yoosoon Chang, Indiana University

Xiaohong Cheng, Yale University

Yanqin Fan, University of Washington at Seattle

Lung-Fei Lee, Ohio State University

Esfandiar Maasoumi, Emory University

Michael McCracken, Federal Reserve Bank of St. Louis

Joon Park, Indiana University

Weibiao Wu, Chicago University

Zhngjun Zhang, University of Wisconsin

Guofu Zhou, Washington University at St. Louis

By Workshop will be in The Eldridge Hotel (<http://eldridgehotel.com/>), located in the heart of historic downtown Lawrence and surrounded by an abundance of unique shops, galleries and dining and entertainment venues. The address for the hotel is 701 Massachusetts Street, Lawrence, KS 66044, [\(800\) 527-0909](tel:8005270909) [\(785\) 749-5011](tel:7857495011).
