

Degree Completion Plan

12/12/2019

A Degree Completion Plan (DCP) is a guide to help plan a route to graduation. This DCP is based on satisfactory completion of all currently enrolled courses and does not guarantee enrollment in the recommended courses. The Degree Progress Report (DPR) is a separate document that should be used to track the official completion of your degree requirements. For instructions on how to generate your DPR, visit degreeprogress.ku.edu
